

## ECOARTS AUSTRALIS 2ND NATIONAL CONFERENCE

### Building Sustainability with the Arts

This biennial conference brings together environmental and arts practitioners to explore the visual and performing arts in creative ways to foster environmental sustainability. The 2016 theme is: Building Sustainability with the Arts. Full costs and program details are available at [www.ecoartsaustralis.org.au](http://www.ecoartsaustralis.org.au)

### Topics

- The visual and performing arts engaging us, informing us and inspiring us to action on climate change and other environmental issues
- The arts putting us in touch with nature
- Creating the green city using the arts: transport, housing and energy
- How science and natural resource management can be enlivened through connection with the arts.

### Keynote Speakers

- **Dr Nalini Nadkarni** (Professor of Biology at University of Utah, USA) and choreographer **Jodi Lomask** (Artistic Director of Capacitor) will speak on linking art and science, and in particular rainforest ecology and contemporary dance.
- **Rachel Kent** (Curator from the Museum of Contemporary Art in Sydney who curated the exhibition *In the Balance* in 2010) will speak of visual artists in Australia who link their work with the environment.
- **Lisa Woynarski** (Royal Central School of Speech and Drama, University of London, UK) will provide an overview of environmental theatre in UK and Europe.
- **Guy Abrahams** (CEO of CLIMARTE) will speak about harnessing the power of the arts to inform, engage and inspire action on climate change.

### Location

iC Events Centre, iC Central (building 230)  
Innovation Campus, University of Wollongong  
Squires Way, North Wollongong, NSW 2500
