

## 3RD National Ecoarts Australis Conference

### Using the visual and performing arts to encourage pro-environmental behaviour

The third EcoArts Australis national conference is an opportunity for you to network and communicate with others who are using the arts in creative ways to encourage pro-environmental behaviour.

#### Key themes:

Using the arts:

- To change habits and behaviours;
- in environmental education;
- to draw attention to particular environmental issues;
- to celebrate the natural environment and human relationship with it

#### Areas of focus:

These could include (but not be limited to):

- fostering the eco-city (urban planning/active transport)
- mitigating climate change
- reducing waste
- conserving/re-establishing native vegetation
- community festivals and community arts
- public and performance art
- indigenous art
- science/art collaborations
- urban trees

#### Location

iC Events Centre, iC Central (building 230)  
Innovation Campus, University of Wollongong  
Squires Road, North Wollongong, NSW 2500
